# The Wicked GT 2021

## 1. Introduction

We're excited to bring you 7th annual Wicked GT! This year we're looking to make it the biggest, best, all around greatest GT in the Midwest! We are hoping to break attendance records this year! Come be a part of the best 9<sup>th</sup> Age GT's both sides of the Mississippi!

## 2. Who's Who?

I want to take a quick moment to introduce to you the Tournament Organizer of the Wicked GT and also add a little bit of background. Here we go:

- **Rob Nevarez** – I've been tabletop gaming for over 20 years and Fantasy is by far my favorite! I love castles, wizards, dragons, and knights! My favorite army is the Skaven (The Vermin Swarm) and I even have my online name on several forums as Horned Rat Rob, to show my devotion to the Horned God. I've played several game systems and I'm well known for being able to paint an entire army in 1 weekend (or less). I've been putting on tournaments in Wichita, Kansas for about 19 years now and continue to do so. The Wicked GT is now our chance to make a big impact. Lookin' forward to seeing everybody at the Wicked GT!

## 6. Wicked GT Rules and Regulations

The following rules will be enforced for this 9<sup>th</sup> Age GT:

### a. Basic Rules

- The Wicked Fantasy Battles: The 9<sup>th</sup> Age GT is Open List.
- We will be using the Beta 2.0 rules. (Legendary)
- Army lists are to be constructed using the 9<sup>th</sup> Age Army Books ([www.the-ninth-age.com](http://www.the-ninth-age.com)) of no more than 4500 points and only armies from the following lists will be allowed:
  - ✓ Beast Herds, Daemon Legions, Dread Elves, Dwarven Holds, Empire of Sonnstahl, Highborn Elves, Infernal Dwarves, Kingdom of Equitaine, Ogre Khans, Orcs & Goblins, Saurian Ancients, Sylvan Elves, The Vermin Swarm, Undying Dynasties, Vampire Covenant, Warriors of the Dark Gods. Supplemental armies will be included upon request. Pending TO approval.
- **What you See is What You Get:** While there are some instances where this is not that big of a deal, please do not use Skeletons as Zombies, Goblins Raiders as Orc 'Eadbashers, or Scraplings as Bruisers.

### b. Table Layout

- There will be a maximum of 15 total 4x8 foot tables throughout the entire venue. This number could change if we don't have the need to keep all of these tables up.
- All tables will be numbered on the edges so that you will know where to go for each round.
- Two feet of "dead space" will be clearly marked on the edges of the boards to allow you to put gaming supplies, dice, and dead models.

### c. Terrain Layout

- Terrain will be laid out per maps found in the 9<sup>th</sup> Age Map Pack.
- All forests, hills, and building follow rules as described on pages 76-78 of the base rulebook.
- Each table will consist of a combination of hills, forests, fields and buildings.
- Terrain is pre-set. Please try to return any terrain that gets moved during the game to its original position.

## 7. Scoring

The total number of points available is 164 points, divided up as follows:

Category	Possible Points	% of Total
Battle / Bonus Points	100 Points	~60%
Sportsmanship	32 Points	~20%
Appearance	32 Points	~20%

**Battle Points (100 Points)**

During each game, there are up to 20 points that can be obtained.

**Scoring Table**

<b>Win by</b>	<b>Winner</b>	<b>Loser</b>
0-225	10	10
226-450	11	9
451-900	12	8
901-1350	13	7
1351-1800	14	6
1801-2250	15	5
2251-3150	16	4
>3150	17	3
Winning Secondary Objective	+3	-3

**Sportsmanship (30 Points)**

At the end of each game you will be given a scoresheet where you will score your opponent's display of sportsmanship from 0-6. This score is completely up to you so make sure to take into consideration the opponent's attitude, readiness, and demeanor. We understand that most players will not end up being best friends, but we do expect that players can be adults for 2 hours and play out a game in a well-fought, gentlemanly manner. Any score of 3 or lower that's given, we will talk to each player and figure out what went wrong during the game. We know that lots of things can contribute to a bad game so we'll do our best to determine if the lower score is justified or not. Remember, do your best to manage the fun level of both you and your opponent. Here's the breakdown:

- 0 – Worst Opponent ever. Couldn't wait for the game to end.
- 2 – Awful opponent. Would play again but only if I was forced to.
- 3 – Indifferent about playing this opponent again.
- 4 – Would definitely play opponent again.
- 5 – Opponent was good and would seek out to play again.
- 6 – Great sport and would love to play this opponent again, forever!

Lastly, at the end of the GT, each player will pick who their best opponent was throughout the weekend. Make sure and reserve this vote for the person that absolutely made your game better, your day better, your mood better... anything that stands out that the person did to make the overall game experience that much better. If there is a person that did these things during one of your games, give them this mark.

---

**Army Appearance (32 Max, 28 Rubric, 4 Bonus)**

Fully painted armies are 100% encouraged! Because of this, we are awarding player for their fully painted armies and attempts to make the entire army look like one cohesive unit! The painting rubric is broken down as follows:

- **Nothing or partially painted (less than half the army):** 0 to 9 point.
- This score is given to armies that are completely unpainted. 0 points for no painting, add points for more models/units that are finished, up to a maximum of 9)
- **Partially painted, not cohesive or finished:** 10-15 points
- This score is given to armies that may be slightly unfinished (think 85% complete) or fully painted but aren't cohesive and don't "look" like an army.)
- **Fully painted:** 16-20 points
- This score is given to armies that are fully painted. Rate closer to 20 for armies that are well done. The bulk of armies will fall within this range.
- **Fully painted, coherent and well done.** 21-25 points
- This score is given to armies that are painted and based 100% and considered "Top Tier" by painting standards.
- **WOW!!** 26-28 points
- This score is given to armies that are painted above and beyond the standard 3 color GT requirements. There will likely be 2-4 armies that get max points, depending on the size of the GT.
